

B.S.C.C. BLITZ Competition 24/25

Thursday 26th May 2025

This season's event was run as a 12-round Swiss, with some limitations needed given the strong turnout. The matches came thick and fast, each player having just five minutes per game. While many results went as expected, there were plenty of highlights along the way:

Round 3: Nathan scored a great win against Lara.

Round 4: James and Kayal picked up valuable points against Lara and Charles respectively.

Round 7: I managed a win against Paul.

Round 9: Vishnu played a cracker to defeat Lara.

Round 10: Oak and Kayal notched impressive victories over Charles and Lara.

Round 11: Nathan secured a fabulous draw against Gary.

Final Round: Nathan followed this up with a well-deserved win against me.

All of this led to the following results...
